Bloomington Band Boosters

Band Activity Fee Scholarship Policies

1. Funds are available to all members of the band in need of financial assistance to cover the cost of the band activity fee and uniform cleaning fee. Applications will be reviewed by the Band Directors and the Finance Committee of the Bloomington Band Boosters in the strictest of confidence. The scholarship amount will be based on the financial need of each individual student subject to the availability of funds.
2. Applications will be approved on the following:
 - a. Each applicant must be considered to be a fully participating member of the band in good standing.
 - b. Each applicant must establish a definite need and document circumstances that establish reasonable need or hardship.
 - c. Failure to provide accurate or adequate information will cause for the application to be denied.
 - d. Past participation in school/band activities including volunteer activities and fundraising participation on the part of the student and parent.
3. The student and parents are required to participate in BBB Fundraisers on an ongoing basis.
4. Parents are expected to be current participating members of the Bloomington Band Boosters and expected to contribute their efforts in fundraising and volunteer hours throughout the school year.
5. Failure on the part of the student and/or parent to comply with the above policies will establish proper cause to revoke the scholarship and require repayment of funds. In addition, such failure will disqualify the student from any future scholarship. In this event, unpaid balances will be turned in to school obligations.
6. It is the policy, to the extent possible, of the Bloomington High School Band that no student be denied participation in the normal activities of the band on the basis of financial status. Normal activities of the band do not include optional trips or events.
7. Scholarships do not include concert wear, shorts, stands caps, tuners, badges/lanyards or any specialty percussion or color guard accessories. Any student needing assistance obtaining these items should indicate this below.
