

# Bloomingtondale Senior High School Rajun' Bull Band

*Life lessons through music education and performance!*

Dear Neighbors,

Bloomingtondale High School's Rajun' Bull Band is proud to be hosting Hillsborough County's 2021 Marching Performance Assessment. On that day, 28 high school band programs will perform their halftime show in front of judges at Bloomingtondale's stadium. An audience of over 5,000 is expected.

Support from the business community is needed to make the 2021 Festival a success. Bloomingtondale is seeking sponsorships and in-kind donations to provide a first-class event for student performers and spectators.

Businesses and individuals supporting the festival will be recognized for their contributions. Press releases will mention sponsors, and names and business logos will appear in the event program and on banners.

The 2019 MPA Event at Bloomingtondale was a great success thanks to the support from our community. We strive to make this year's event even better.

Thank you for considering a sponsorship.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon W. Sever". The signature is fluid and cursive, with a long horizontal stroke at the end.
